Dear Parents,

I am writing to let you know that unfortunately, Mrs Keen will be moving on from Holy Family at the end of the Summer Term – Tuesday 23rd July. Mrs Keen is going to work for the Virtual School. This is an excellent opportunity for Mrs Keen to further her career in a different direction. This is a very bittersweet situation. Their gain is our loss! They will be very lucky to have her, I am sure you will agree.

I know that the children throughout the school – will miss her dearly, as we all will.

Staffing is being meticulously planned. We will keep you informed as things are put in place. The happiness of our children, and minimum disruption to them is paramount as always.

I am sure that you will join with all of the staff in wishing Mrs Keen lots of love and luck in the future.

Take care

Miss Hilton
