Dear Parents/Carers

Otis (one of our Year 1 pupils) was a recipient of a liver transplant in 2018 at Leeds General Infirmary, one of only three specialist liver centres in the UK and is now part of the Leeds Children's Transplant Team. Otis will be attending and participating in the British Transplant Games – an annual sporting event celebrating transplant patients and donor families. To enable the team to attend the games on an annual basis, families are asked to fundraise to support the team's attendance at the event. Otis has been busy fundraising over the last three years.

To show our support for Otis and his family, on Friday 19th April, we are asking the children and staff to come to school in their own clothes. If they have something purple e.g. a t-shirt, socks or hair ribbon we'd love to see them wearing it as it is the colour of the Leeds Children's Transplant Team.

If you would like to make a donation for the Leeds Cares Games Fund there is a Just Giving page set up - just search for Leeds Children's Transplant Team and Danielle Roscoe or use the following link

Many thanks for your continued support
