

Dear parents and carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 2 February 2024.**

Everything the NSPCC does protects children today and prevents about tomorrow

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **45 seconds**

Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

- We are taking on Buddy's Key Challenge in our classes.
- We will be taking part in *Dress up for Digits*. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt etc) or get even more creative by dressing in a maths or numbers theme.

It all adds up

To help raise money for the NSPCC, we are asking for donations. Please send in a donation to support NSPCC's work in a sealed envelope. All the money we raise at Holy Family will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

Best wishes,

Mrs Keen

Assistant Headteacher/ Maths Subject Leader
