Dear Parents / Carers,

Unless your child has a specific SEND or medical need they should be independently going to the toilet and wiping themselves by now. We are half way through the academic year and very aware the children will soon be in Year 1.

There are still a number of children who are asking for assistance while at the toilet.

Of course we will always help children if they have a toileting accident but general day to day toileting should be completely independent.

Regards,

M Hilton
Headteacher
