8th December 2023

Dear Parents/Carers,

JUNIOR CAROL CONCERT

There will be 2 Carol Concerts by the Junior children this year, both in Holy Family Church.

1. Tuesday 19th December 2023 at **2:00pm** - **PLENTY LEFT**
2. Tuesday 19th December 2023 at **6:00pm**

We are now able to offer **extra** tickets for sale as everyone has had the opportunity to purchase their initial 2 tickets. As the concert is taking place in Church there is much more space but we still need to keep track of numbers for health and safety. Pre-school children are able to sit on an adult's knee but any **children of school age will need a ticket**.

If you wish to purchase tickets please indicate your preferred choice of performance on the slip below and return it together with the money to **your child's class teacher** noting the following information:

- Tickets for the evening performance sell out quickly - we do still have some left
- Tickets are allocated on a first come first served basis, starting with Year 6
- Tickets are priced at **£2.00** each
- Money & completed slip must be in an envelope clearly marked with your child's name and class
- Tickets won't be sold through the office, all requests must be given to your child's class teacher and the tickets will be returned home with your child.

It is important that you bring your ticket with you when you attend the concert since for Health and Safety reasons we have to know how many people are in the building.
