Musical Tuition

Dear Parents /Carers,

I am sure that you will agree that our Musical Extravaganza on Wednesday, performed by Y4 was amazing! We are able to offer further musical tuition – ‘Band Practice,’ via the same music teachers, through out next year, on Wednesday lunchtimes for 40-45 minutes. Instruments will be provided. This is being offered to our current Y4 children (Y5 in September).

We are unable to give you any costings at the moment, as this is dependant on the number of children who would like to embrace this opportunity.

If your child is interested in this, please inform the office via email by **Monday 7th July** and we can look into final costings and arranging this to start in September.

This is very exciting!

Take care

M Hilton
