STARKIDZ SILENT DISCO!

EXCITING NEWS!

We are thrilled to have **Starkidz** visiting our school to bring their **free Silent Disco sessions** to our children! After the difficult few months our community has faced, this fun and uplifting experience will help bring smiles and joy to our pupils. On Tuesday 11th March each class will have a 30-minute slot to dance away in the hall!

Starkidz is providing this at **no cost to schools**, but they are fundraising to cover expenses and support a **children's mental health charity**. If you'd like to help make this possible for more schools, please consider donating to their **GoFundMe** here: <https://gofund.me/401c4af7>

Thank you for your support in bringing happiness to our children!
