

Conway Residential - A final reminder before next week

- All children need to be at the school gates for **8am on Wednesday 15th January** and we will get straight on to the coach - we will leave by 8.15am. We are expected back in school on Friday 17th by 4pm but will keep you updated on arrival time by text.
- Anyone who needs an inhaler must have one with them in their pocket at all times. We will take school inhalers with us as spares.
- All other medication must be handed in to school by Tuesday home time at the latest - please do not pack any medication in suitcases. (Including travel tablets for return journey)
- Any spending money should be handed in to school by Tuesday home time at the latest.
- Children will need to bring a packed lunch with them for Wednesday lunchtime. This can be brought in a small rucksack/bag which they can keep on the coach with them. They can also bring some snacks and a couple of drinks (no fizzy drinks please).
- Our first activity on Wednesday is canoeing; it would be helpful if the children wore jogging trousers or leggings to travel in, rather than jeans, so they don't need to get changed before the first session. Old trainers / shoes suitable for water activities should be at the top of their bags.
- Thank you to everyone who has paid in full. Can I please remind everyone else that the deadline is tomorrow and the balance can be paid online on the SchoolGateway app or at the office by cash or card.

CONWAY KIT LIST – NAME EVERYTHING!

- A warm outside jacket (not a thick 'puffa' type anorak as you will wear it underneath waterproof trousers and jacket for some activities – the centre will provide these)
- 2 Jumpers or sweat shirts
- 3 long sleeved tops / vests (Football under armour type tops or thermals are good)
- 3 t-shirts (wearing lots of layers is the best way to keep warm)
