Head Teacher: Miss M Hilton

Monday 14th October 2024

As a school seeking to make a difference to our global community, we have chosen to support children in Ukraine this Christmas. We have been paired up with a school in Lubotyn, Eastern Ukraine and will be sending collected items over to the children there.

This school is called Lubotyn 4 and it is an underground school.

We would like to fill shoeboxes with items that can provide some hope to children in an ever-toughening situation. If you feel that you can fill a shoebox, it should be wrapped in Christmas paper (box and lid separate and not sealed) and closed with a rubber band. Please put a label on the top that says who the contents are for e.g. Girl 5 – 8 years.

Items that you could fill a shoebox with – Gloves, scarf, hat, socks, small toys, teddies, playing cards, sensory items, wind-up torch, wrapped chocolate, packets of sweets, soap, toiletries, toothbrush, toothpaste, flannel, notebook, pens, pencils, etc.

Other items that are needed are – baby formula, packets of baby food (baby rice etc.)

Please could we have all items in school as soon as they are ready, **last day to be 5th November** (so we can arrange pick up).

Thank you for your continuing support.

M Hilton
