

Proposed Community wellbeing offer from Alder Hey for Southport residents affected by incident on 29 July 2024

As part of the community outreach offer led by council to offer humanitarian assistance to neighbourhood affected by incident. We have been signposted to the following resources for adults who have been affected by the incident in Southport. This support will be provided by Mental Health Matters and Mersey Care, LSCFT and GM via the regular service offer.

1. Sefton Talking Therapies service 'Mental Health Matters'

NHS Sefton Talking
Therapies Referral For

All referrers are asked to clearly write 'Southport Incident'.

Completed forms should be sent to: tms.referrals@nhs.net

Individuals can also refer directly, either by telephone or via the website.

Service lead is Amanda Comer - AComer@mhmm.org.uk

2. Victim Care Merseyside

Freephone 0808 175 3080 on weekdays between 8am and 6pm or request support online at any time at www.victimcaremerseyside.org. Their hub of local, trained staff can provide free, emotional and practical support tailored to your needs
