

Sefton District u11s Trials 2026

Self-Referral Format

15th May 2026

Dear Parent/Carer,

We will soon be holding trials for the Sefton Boys U11 Representative Squad.

The trials are open to boys currently in Year 4 or Year 5.

This year, we are asking parents to submit referrals directly. The deadline for referrals is Friday 5th June 2026.

District football is the highest level of school football and provides a fantastic opportunity for players to be recognised amongst the best young footballers in the borough.

Many of the boys selected currently play academy football; however, your son does not need to attend an academy to be considered.

To be successful at this level, players will typically already be performing consistently at a strong schoolboy standard.

To refer your child, please email Mr Crilly at Bootleanddistrictfc@gmail.com with the following information:

Please use your **child's name and school** as the subject of the email and ensure all of the following details are included:

- Child's name
- Date of birth
- School
- Current year group
- Current football club(s)
- Usual playing position
- Parent/carers contact name and mobile number

Trial dates and venues will be shared during the week beginning 8th June 2026.
