Positive comments that we received from the questionnaire

- All the teachers are very good very approachable
- The children love attending Holy Family and I look forward to my other 3 children attending in the future.
- Thank you for all that you do. In particular, thank you for all the times you will have no doubt stayed "for free" to provide further opportunities for children. Thank you for coming in on days off for performances.
- My daughter enjoys coming to this school.
- Very happy with the progress my child is making.
- Holy Family is a lovely school where teachers understand the students really well and promotes their development in all areas.
- Miss Loveless and her team have made the twins feel happy, safe and secure. They enjoy school, they have their best interests at heart and they are doing really well. We couldn't be happier with how well they have settled.

Things we can improve on.....

- Where possible can communication be made (when known to staff) as early as possible to allow parents to plan better and reduce pressure on office staff responding to enquiries etc. Some information could be sent to parents sooner. Thank you.
- Making school more welcoming & friendlier.

As a result of this, we will:

- ❖ ensure that the Google calendar is up to date with future events
- ❖ ensure that future events are given adequate notice via newsletters/ text messages/ letters
- ❖ hold more parental/ child events in school
