

HOMEWORK

English

Please find enclosed, your child's spellings to be tested on Friday 22nd September. Remember to go to <https://play.edshed.com/en-gb/> to practise these online.

We have also enclosed a sheet of the Year 1 and Year 2 Common Exception Words. These are extra words that the government expect children to be able to read and write by the end of Year 1 and 2. Have a go at practising spelling these, a few words at a time, as and when you can. Every half term, we will assess the children on the reading and spelling of these words.

We also practice weekly spellings and common exception word spellings daily in class.

Maths

This week we have focused on tens and ones. Please have a go at the following game. It is a fun way of learning the value of each digit in a number.

<https://www.topmarks.co.uk/learning-to-count/place-value-basketball>

Please also continue to practise your number bonds to 10 so that you can beat your score to earn dojos!

<https://www.topmarks.co.uk/maths-games/hit-the-button>

If you are confident with number bonds to 10, you can practise any of the other activities within the number bonds section.

READING

Please continue to listen to your child read and also read to them. Although we do not record in green reading records, we do check them every week, so please let us know how your child is getting on with their school reading book each day. You can also let us know if they have enjoyed any other books at home. We may write in the book if there is anything we feel you need to know.

Please email if you have any questions.

year2.hfp@schools.sefton.gov.uk

Have a lovely weekend 😊
