

GEOGRAPHY HOMEWORK
Choose 1 of the following activities:

This is a plan view. It is a map of a classroom from above. It is like a drawing of an aerial view.

TASK:

Draw a plan view of your bedroom, showing where your bed is and any drawers, wardrobes, rugs and doors. Bring your plan into school so that we can display it in the classroom for everyone to see.

TASK:

Draw a map of the route you take to get from your house to somewhere in your local area. You might draw the route from your house to your grandparents, or from your house to the shops in the town centre. Include symbols for any features that you pass on the way, such as a swimming pool, car park, shop, school or fire station.
