

HOMEWORK

Nativity

Lines for your child to practise ready for our Christmas nativity are attached. Please practise as much as you can so that we can put on a great performance!

Please bear in mind that parts and lines may change as we progress through rehearsals.

English

Spellings to be tested on Friday 17th November are enclosed.

On <https://play.edshed.com/en-gb/> you should now be able to access games to practise your Year 1 and 2 common exception words along with your weekly spellings.

Maths

This week we have been revisiting related facts in our maths lessons.

We have been using what we know to find answers to new equations and looking at the patterns that we see.

For example: $2 + 2 = 4$ so $20 + 20 = 40$.

We have also been using our number bonds to 10 to help us to know number bonds to 100.

For example: $8 + 2 = 10$ so $80 + 20 = 100$ or $2 + 8 = 10$ so $20 + 80 = 100$.

Please go to the Hit the Button website and practise these skills by playing these games:

- Make 100 (tens)
- Addition within 100 (tens)
- Subtraction within 100 (tens)

<https://www.topmarks.co.uk/maths-games/hit-the-button>

There is also a rocket worksheet attached for you to practise number bonds to 100.

Don't forget, if you want to keep improving your maths skills, log on to Numbots <https://numbots.com/> and continue to master your maths skills and earn certificates in class.

Have a lovely weekend 😊
