

HOMEWORK

English

Spellings to be tested on Friday 24th November are enclosed.

Go to <https://play.edshed.com/en-gb/> to practise your Year 1 and 2 common exception words along with your weekly spellings.

Maths

This week we have been using our number bonds to 10 to help us add to the next multiple of 10. For example:

We know $3 + 7 = 10$, so we can use this fact to answer $13 + 7$, $23 + 7$, $33 + 7$ etc

Please have a go at the questions on the attached worksheet and don't forget to count in 10s to check what the next multiple of 10 is.

Please continue to practise all of the games we have been playing on Hit the button – these games will really help you to get faster with your instant recall of facts.

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Don't forget, if you want to keep improving your maths skills, log on to Numbots <https://numbots.com/> and continue to master your maths skills and earn certificates in class.

Anti-Bullying week

This week has been anti-bullying week. We have talked about what bullying is and how we can do something positive to counter the hurt and harm that bullying causes. We have talked lots about who we can turn to if we are being bullied or we see bullying taking place. Talk to your child about the people they feel safe to turn to if they experience or encounter bullying.

Have a lovely weekend 😊
