SPELLINGS

Please find enclosed, your child's spellings to be tested on Friday 26th January.

As usual, you can log in to <https://play.edshed.com> for an easy and fun way to practise your spellings.

HANDWRITING

This week, we have started to learn joined/cursive handwriting. We are using the Letter-join scheme as the basis of our whole school approach to handwriting.

On the reverse of this letter is an instruction sheet for home access to this scheme so that your child can practise their joining techniques at home, on a tablet or desktop, in exactly the same way that they do at school.

Once you are on the site, go to **easy letters**, select **i, l, t**, click on **i**, **watch** the formation video a few times, then **try** forming the letter on your computer or tablet. After you have practised online, practise on the handwriting sheet that we have sent home. You do not need to return this to school.

Please note, it is really important that you supervise your child to ensure they are forming their letters correctly, with the correct entry and exit stroke. They will struggle with joined up handwriting if they do not do this.

MATHS

This week, we have continued learning about *3D shapes* and also *money*. Use these websites to help consolidate your learning:
