HOMEWORK

Spellings

Please find enclosed, your child's spellings to be tested on Friday 9th February.

Please visit <https://www.edshed.com/> to play the spelling games with this week's spellings.

Please continue to practise reading and spelling your Year 1 and 2 Common Exception Words.

Handwriting

Please log on to Letter join and complete the task that has been set.

Log in at www.letterjoin.co.uk

Username: wk3149

Password: home

Go to **easy letters** and practise **n, m, h**. Then go to **easy words** and practice **ill, it, lit, tilt**. Remember to watch the formation a few times before you try it, to make sure you are forming the letters correctly with the correct entry and exit stroke.

Maths

This week we have started to learn more about multiplication. We have been making different amounts of equal groups and counting in 2s 5s and 10s to help us find the answers. We have been recording our answers as written sentences, repeated addition number sentences, arrays and multiplication sentences.

For example:

$$5 + 5 + 5 + 5 + 5 + 5 = 30$$

6 lots of/ groups of 5 is equal to 30.

$$6 \times 5 = 30$$

The children have also been learning that multiplication is commutative, so 6 x 5 is the same as 5 x 6.

Please practise your 2 x table facts and basic number skills on *ttrackstars* and *numbots*. Both are accessed through the same website: <https://numbots.com/>

Your login details are attached in case you need them.

Also practise your 2 x tables on Hit the Button so that you can earn dojos in class!

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Have a wonderful weekend 😊
