Go to **easy letters** and practise the ones you find most tricky. Then go to **easy words** and practise **we, wet, wilt, lute**. Remember to watch the formation a few times before you try it, to make sure you are forming the letters correctly with the correct entry and exit stroke.

Maths

We are working really hard to beat our 2 times table scores on dojo. Practise as much as you can on Hit the Button <https://www.topmarks.co.uk/maths-games/hit-the-button>. Remember, if the question is 6 x 2, you need to count in 2's 6 times to get the answer. You may need to keep practising counting in 2's for those bigger numbers!

We have also just started to learn about length and height. Go to <https://www.topmarks.co.uk/maths-games/measuring-in-cm> and choose level 1 to practise measuring in centimetres.

Geography

We have started a challenge in class to locate the 7 continents and 5 oceans. Practise at home to improve your score and beat your speed <https://www.sheppardsoftware.com/geography/world/continent-oceans-game-1/>

Have a wonderful weekend 😊
