HOMEWORK

Spellings

Your child's spellings, to be tested on Friday 8th March, are attached.

Please visit <https://www.edshed.com/> to play the spelling games with this week's spellings.

Please continue to practise reading and spelling your Year 1 and 2 Common Exception Words.

Handwriting

This week, we have revised letters and words we have already learned. Go to **easy letters** and **easy words** and practise the ones you find most tricky. You could practise on paper using different mark making materials such as felt tip, crayons, chalk, gel pens...

Maths

As well as learning about multiplication, we have continued to learn about length and height. Your child has brought a ruler home. Please practise your measuring skills by measuring items around your home. We have talked about suitable items to measure with a 30cm ruler and how we can measure items that are slightly longer than 30cm by moving our ruler along. Record your measurements on a piece of paper and return to school next week along with the ruler.

Have a great weekend 😊
