

Our Vision for MFL

At Holy Family, we want our children to enjoy and embrace learning Spanish and all about Spanish Culture. We introduce the culture of Spanish-speaking countries and communities. We aim to foster children's curiosity and help deepen their understanding of the world. The Curriculum allows an opportunity for children to gradually build on their skills. It enables children to express their ideas and thoughts in Spanish, providing opportunities for them to interact and communicate with others for practical purposes, both in speech and in writing. The intent in EYFS and KS1 is that children acquire basic skills and understanding in Spanish with a strong emphasis placed on developing their Speaking and Listening ability. These will be further developed in KS2 alongside Reading and Writing skills, gradually progressing to more complex language concepts and greater learner autonomy. We aim to inspire pupils to develop a love of languages and to expand their horizons to other countries, cultures and people. We intend to help children grow into curious, confident and reflective language learners and to provide them with a foundation that will equip them for further language studies. Our children should leave at the end of Year 6 with a good foundation of basic Spanish language and an understanding of the Culture such as, food, festivals and other Spanish speaking countries.
