HOLY FAMILY CATHOLIC PRIMARY SCHOOL

PHYSICAL EDUCATION POLICY

'Living, Loving and Learning as followers of Jesus Christ.'

Statement of intent

At Holy Family, our aim is to support the development of the whole individual within PE. Our key concepts - Physical, Social, Emotional and Thinking - underpin every lesson which gives every pupil the opportunity to succeed.

Throughout a child's school journey with us, everyone has the opportunity to experience a wide range of sports taught by experienced members of staff or sport coaches. It is our aim to give pupils the opportunity to find a passion or hobby that allows them to not only lead a healthy lifestyle, but supports their mental wellbeing and their confidence in a social environment. Activity should be fun and teach the children rules of a specific sport in order for them to succeed in a competitive setting.

This policy outlines what pupils will be taught during PE lessons and how they are expected to behave, as well as the measures taken in order to ensure the health and safety of pupils, including role-specific responsibilities.

- DfE (2013) 'National curriculum in England: PE programmes of study'

EYFS

The school recognises the importance of pupils' physical development as one of the prime areas of learning and development. Staff will ensure that educational programmes in the early years develop pupils' all-round development, and enables them to pursue happy, healthy and active lives.

In line with the Early Learning Goals (ELGs) for physical development set out in the DfE's 'Statutory framework for the early years foundation stage', teaching staff will organise a range of activities and experiences to promote and develop pupils' gross and fine motor skills, including:

- Demonstrating strength, balance and coordination when playing.
- Negotiating space and obstacles safely, with consideration for themselves and others.
- Moving energetically, such as running, jumping, dancing, hopping, skipping and climbing.

All pupils within the EYFS will be given the opportunity to undertake activities that provide appropriate physical challenge, both indoors and outdoors, whilst using a range of resources and equipment.

EYFS classes will have 90 minutes of PE per week of which 60 minutes will be structured activity. The other 30 minutes will be child led outdoor play, weather permitting.

An EYFS profile will be completed for each pupil in the final term of the year in which they reach age five.

Curriculum

During KS1, pupils will be taught to:

- Master basic movements, including running, jumping, throwing and catching, whilst developing their agility, balance and coordination, beginning to apply applying these in a range of activities.
- Participate in team games, developing simple tactics for attacking and defending.
- Perform dances using simple movement patterns.

During KS2, pupils will be taught to:

- Use running, jumping, throwing and catching in isolation and in combination.
- Play competitive games, modified where appropriate, and apply basic principles suitable for attacking and defending, for example, through netball, football, hockey and tennis.
- Develop flexibility, strength, technique, control and balance through activities such as gymnastics and athletics.
- Perform dances using a range of movement patterns.
- Participate in outdoor and adventurous activities, both individually and within a team.
- Compare their performances with their previous ones and demonstrate improvement to achieve their personal best.

In relation to swimming, pupils within KS2, will be taught to:

- Swim competently, confidently and proficiently over a distance of at least 25 metres.
- Use a range of strokes effectively, such as front crawl, backstroke and breaststroke.

Teaching and learning

All lessons will be planned and taught in line with the Get Set 4 PE Scheme, tailored by the PE coordinator, ensuring that potential for pupils' progression is planned into the scheme of work.

Lessons and activities will build upon pupils' prior learning, developing their skills, knowledge and understanding within each activity area.

The school creates long-term, medium-term and short-term plans for delivery of the PE curriculum – these are as follows:

- Long-term: Includes the PE topics studied in each term during the key stage
- Medium-term: Includes the details of work studied each month
- Short-term: Includes the details of work studied during each lesson

The PE coordinator is responsible for reviewing and updating long-term and medium-term plans, and communicating these to teachers.

Teachers are responsible for reviewing and updating short-term plans and building on the medium-term plans, taking into account pupils' needs and identifying the methods through which topics could be taught.

All relevant staff members are briefed on the school's planning procedures as part of their staff training.

Where appropriate, a sports coach will lead the lesson or teach alongside the teacher.

Pupils will be taught through a mixture of whole-class, group and individual activities, ensuring that tasks are suitable for pupils' abilities. Pupils will be encouraged to evaluate their own performance, as well as the performance of others. Pupils will be given the opportunity to both collaborate and compete with each other during lessons.

The PE coordinator will act as the first point of contact for staff members planning PE lessons or sporting events.

A variety of resources, including indoor and outdoor sporting equipment, will be used to provide a range of challenge for pupils. Staff members involved in the teaching of PE will have access to PE resources, including sporting equipment and specialist literature, at all times

Where a pupil is unable to participate in a lesson, the teacher will set them another related task, such as being a coach or referee.

Assessment and reporting

Pupils will be assessed through observations made during lessons.

Teachers will record the progress of pupils against the learning objectives for the lesson.

Throughout the year, teachers will plan on-going assessment opportunities in order to gauge whether pupils have achieved the key learning objectives.

Individuals' assessment information will be recorded to help pupils' future teachers plan appropriate work for them and assist in the assessment of pupils' progress each year.

Pupils will be assessed as Working Towards, Expected, Greater Depth. Annual assessments of each pupil will be used to inform parents of their child's progress and attainment.

Parents will be provided with a written report about their child's progress during the summer term every year. This will include information on pupils' attitudes towards PE, understanding of methods, investigatory skills and the knowledge levels they have achieved.

Verbal reports will be provided at parents' evenings during the autumn and spring terms.

The progress of pupils with SEND will be monitored by the SENCO.

A record will be kept of when a pupil is unable to participate in a lesson, along with any evidence supplied. If this becomes a regular occurrence, a meeting will be set up between the teacher, the pupil and their parents.

Teaching staff will liaise with the SENCO, where necessary, in order to meet the needs of pupils.

The school will continue to ensure that equal sporting opportunities are offered to pupils of all genders. While sex separation may be employed in certain circumstances, e.g. for competitive sports teams, the school will make a concerted effort to offer every sport to all pupils regardless of gender wherever possible. Where this is not feasible, e.g. due to differences in demand for certain sports along gendered lines, the school will endeavour to offer comparable sports which use similar tactics and objectives.

Pupils will not be grouped together based on gender, race or disability.

Monitoring and review

This policy will be reviewed on a bi-annual basis by the headteacher and PE coordinator, with any changes made to the policy being communicated to all teaching staff and the governing board.

The curriculum plan will be monitored and evaluated by the PE coordinator, including the planning, assessment and reporting arrangements in place.

The spending and impact of the PE and sport premium is monitored by the PE Subject Leader and reported to the governing board.
