with 98.33% attendance!

The classes with the best punctuality this
week are Y2 & Y3 – well done!

The Religious Life of School

We had a visit from CAFOD this week to tell us more
about the 'Big Lent Walk' details to follow.

Father Kevin will be in school for 'Prayer & Song sessions'
with Y1 & Y2 on 11th February at 2.15pm and with
Reception on 4th March at 2.15pm.

Monday 10th February – Y3 class assembly.

**Parents & families of children in these year groups are
very welcome to come and join these events.**

Lockdown:

A letter will be emailed home today, informing you that
this half term we will be practising our 'Lockdown.' This
is as important as a Fire Alarm. It needs to be done in
order to ensure that we all know what to do in an
emergency – just as we do if there was a fire. This will
be conducted by staff and our Health & Safety officer.
This will be mentioned in class to the children before the
drill. The letter can also be found on the school website

Safe and Secure

We are on our way to gaining the NOS Certified School
Status for yet another year. We just need some parents to
complete register and complete an online safety for
parents & carers course.

You can register at the following link

<https://nationalcollege.com/enrol/holy-family-catholic-primary-school-1> and the courses only take about 30
minutes to complete.

SLP Love My Community Day

Thursday 13th February

We are taking part in Southport Learning Partnership's annual Love My Community day once again. Their chosen charity this year is North West Air Ambulance.

On Thursday 13th February children can wear their own clothes to school instead of school uniform. We are asking for a suggested donation of £1 for this worthwhile charity. You can find out more about their work on their website

NSPCC Number Day:

Don't forget we are supporting the NSPCC by taking part in 'Dress up for Digits' next week on Friday 7th February. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt, birthday badge or even a onesie!). Or get even more creative by dressing in a maths or numbers theme. We are having a fun day of maths activities and all donations are going directly to the NSPCC.

Happy Birthday to you.....
